*MAT 30 is a pre-req for MAT 160

The program has received a waiver to specify particular courses students must take in STEM areas of the Common Core (Math and Quantitative Reasoning). If students take a different course in this area, they will be certified as having completed the Common Core area, but it may not be possible for them to finish their degree programs within the regular number of credits.

† Students who intend to transfer to Baruch College should complete MAT 210 Calculus I as part of the Flexible Core
