For an Associate in Applied Science (A.A.S.) Degree in Public Policy & Administration

Public Policy & Administration (A.A.S.)

- *This program involves organization and management, for public agencies, private business, and corporations, including civil service and criminal justice. The Public Policy & Administration curriculum is designed to prepare men and women with the foundation for employment in management; supervisory, or executive positions in one of the many career areas available in the public sector at the federal, state, county, and municipal levels of government; in the private sector, in various areas of small business and corporate and industrial organizations; and in community organizations. The student completing the Public Policy & Administration sequence, including a language and science requirement, will also be prepared to transfer to a four-year college to pursue a Bachelor's degree. Students successfully completing the requirements of this program shall be eligible to receive an Associate in Applied Science (A.A.S.) degree.*
- *The objectives of this program are to educate individuals to become meaningfully employed in public, private, and community organizations, including civil service; to provide them with a practical understanding and background so that they can successfully, creatively, and effectively work in either the public or private sector; and to obtain promotions in these areas.*
- *Comprising 60 credits, this program requires students to complete a minimum of 27 credits in Public Policy & Administration and/or Criminal Justice; the balance to be distributed among liberal arts courses and electives.*
- *Upon graduation, the student will be qualified to seek employment in various civil service, corporate, bureaucratic, or public service organizations.*
