

Hostos Leaders - Take the Jump! Becoming a Highly Effective Team Leader

A Highly Rated Professional Development Course Right Here at Hostos

What's the Course All About?

Becoming a Highly Effective Team Leader is a 2-day course packed with interactive role play and activities based on real-world scenarios designed to simulate common challenges of leaders at Hostos.

My Time is Limited. Is it Worth it?

Absolutely. Get one step ahead of your peers by learning the skills needed to overcome challenges faced by real-world team leaders. You will learn how to:

BE PROACTIVE
instead of reactive in your approach to work and relationships

HAVE TOUGH CONVERSATIONS
with your teams, bosses, and colleagues

SOLVE PROBLEMS
by identifying root causes and proposing solutions

DRIVE RESULTS
in situations where you do not have direct authority

Success Story

*"After completing the Jump! I felt **empowered**. I am more **self-aware** and **reflective** of how I can use my **strengths** and skills to improve my work and inspire my team."*
