### **FACULTY VACANCY ANNOUNCEMENT**

The Department of Mathematics at Hostos Community College of The City University of New York invites applications for a tenure track position at the rank of Assistant Professor to begin in Fall of 2018. The Department specifically seeks applicants with an interest in teaching, research and the capacity to help develop and run a major in Computer Science.

Hostos Community College is located in the Bronx and the diverse faculty of the Mathematics Department works closely with students and each other in an open and collegiate atmosphere. Hostos has both a teaching and a research mission and the candidate will be expected to teach core undergraduate computer science and mathematics courses as well as electives within their area of research and share responsibility for committee and other departmental assignments.

Potential candidates will be able to work collaboratively, contribute to departmental strengths in teaching and research, and be able to lead efforts to broaden participation in Computer Science and Mathematics areas.

### **QUALIFICATIONS**

Ph.D. degree in Computer Science or Mathematics with a specialization in computation. Also required are the ability to teach successfully, demonstrated scholarship or achievement, and ability to cooperate with others for the good of the institution.

The following qualifications are preferred:

- Availability to work evening and weekends
- Bilingual skills

### **COMPENSATION**

Salary for this position commensurate with education and experience.

CUNY offers faculty a competitive compensation and benefits package covering health insurance, pension and retirement benefits, paid parental leave, and savings programs. We also provide mentoring and support for research, scholarship, and publication as part of our commitment to ongoing faculty professional development.

### **HOW TO APPLY**

Applicants must apply online by accessing the CUNY website at [www.cuny.edu](http://www.cuny.edu) and navigate to the following links: "Employment" and "Search Job Postings"

Please attach CV, a statement of scholarship interest and a statement of teaching interest. Candidates must also submit two letters of reference upon request.
