

Job Vacancy Notice

Job Title: Assistant Professor - Physics

Job ID: 20203

Location: Hostos Community College

Full/Part Time: Full-Time

Regular/Temporary: Regular

FACULTY VACANCY ANNOUNCEMENT

The Natural Sciences Department at Eugenio Maria de Hostos Community College seeks applications for a tenure track Assistant Professor to teach undergraduate physics and engineering courses.

The Natural Sciences Department provides high quality in educational programs in science and engineering as well as in support courses for the AAS, Allied Health and Liberal Arts programs. The Department assists students to develop the skills required to analyze the mechanics of the natural and physical environment, learn to think critically, communicate effectively, cultivate an understanding of basic scientific and ethical values, and become responsible citizens of the world. The department also plays a major role in guiding our students of diverse, multicultural backgrounds to acquire advanced knowledge and research skills empowering them to pursue higher education degrees in science and engineering.

Additional responsibilities include the following:

Development of course and curriculum, research and scholarly activities leading to professional growth, student guidance, and participation in departmental and college assignments. The successful candidate will share responsibility for committee and department assignments including administrative, supervisory, and other functions.

QUALIFICATIONS

Ph.D. degree in area(s) of experience or equivalent. Also required are the ability to teach successfully, demonstrated scholarship or achievement, and ability to cooperate with others for the good of the institution.

The following qualifications are preferred:

- . Doctorate or an equivalent degree from an accredited university in the discipline of physics and/or engineering
- . One year teaching experience in the disciplines of physics and/or engineering
- . Demonstrated evidence of achievement in his/her field
- . Teaching experience in an urban multiethnic setting and interest in field-related academic research
- . Availability to work evening and weekend hours
- . Bilingual skills in English and Spanish

COMPENSATION

Salary commensurate with education and experience.

CUNY offers faculty a competitive compensation and benefits package covering health insurance, pension and retirement benefits, paid parental leave, and savings programs. We also provide mentoring and support for research, scholarship, and publication as part of our commitment to ongoing faculty professional development.

HOW TO APPLY

Applicants must apply online by accessing the CUNY website at www.cuny.edu and navigate to the following links: "Employment" and "Search Job Postings"

Please submit CV/resume and statement of scholarly interest.

CLOSING DATE

March 29, 2019
