

Eugenio María de Hostos Community College of the City University of New York
Academic Advisement, Division of Academic Affairs

For an Associate in Science (A.S.) Degree in Accounting

Accounting (A.S.)

- *Hostos Community College offers an Associate in Science program in Accounting with a course of study that will provide students with the first two years of a Baccalaureate program in Accounting. The program has been designed as a transfer program and students will be advised that they should complete the baccalaureate degree in order to be prepared for careers in Business, Industry and Government. This program consists of courses which will allow students to pursue further education and careers in accounting, auditing, as well as financial operations and management fields.*
