

## 2016–2017 Custom Verification Worksheet

### V4-Dependent Student

Your 2016–2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called “Verification”. The Financial Aid Office at your college must compare information from your FAFSA with information you provide on this worksheet and with any other required documents. If there are differences, your Financial Aid Office may require additional documentation and your FAFSA information may need to be corrected. You may not receive federal financial aid until all verification requirements are met and the necessary corrections made.

#### What You Should Do

1. Complete the first two pages (Sections A-D) of this worksheet – you and at least one parent must sign the certification (Section D) on page 2 of the worksheet.
2. Collect the documents required for Section E on page 3 but do NOT complete that section in advance.
3. Submit the completed worksheet and any other required documents to the Financial Aid Office at your college. You will complete Section E in person at that time.
