

## MEMORANDUM

To: Hostos Distribution List  
From: Christine Mangino, Ed.D.  
Provost and Vice President for Academic Affairs  
Date: November 16, 2017  
Subject: STEM Tuition Waivers for Winter 2018

---

To support STEM credit progression and accumulation, the college has received funds to waive tuition for STEM courses offered during Winter 2018. To be eligible for the STEM waiver, students must meet **all** of the following requirements: (1) Enrolled in the class for the first time, (2) Enrolled in an associate degree program, (3) Require the course for their major, (4) Charged as a New York City resident, and (5) Enrolled in one of the waiver eligible sections. Below is a list of sections that are STEM waiver eligible. Kindly note, **STEM waivers can only be used by students who meet the eligibility requirements.** Students who do not meet the eligibility requirements, and enroll in the listed section, will be charged tuition.

It is important to note that the application of the STEM waiver will not appear on students' accounts immediately. The posting of the waiver takes place a few weeks after the start of the session when the Bursar has reviewed students' accounts.

### Important Notes

- **STEM waivers do NOT apply to withdrawal charges.** Students withdrawing from STEM waiver eligible courses are subject to applicable charges if the withdrawal does not take place prior to the January 1 deadline.
- **STEM waivers only cover tuition. Students are responsible for student fees.**  
\*Winter session is considered part of the spring semester. Students who are registered for spring classes will only be charged for student fees once.
- Students do not have to be financial aid eligible to receive the waiver

### Winter Eligible Courses

Subject	Course #	Section	Class Title	Class#
MAT	100	200A	Intro College Math	50338
MAT	120	200A	Intro To Probability & Statistics	50339
MAT	120	200B	Intro To Probability & Statistics	50340
