SPOTLIGHT FOR SUCCESS

“The Division of Continuing Education provided me with the opportunity to reinvent my career after 10 years invested in healthcare management. In completing the HIV Counseling and Credentialed Alcohol and Substance Abuse Counselor (CASAC) certification program, this experience helped me to enhance my knowledge and skills in the healthcare field. I am anticipating expanding my future career opportunities through the Division’s internship program. I am very enthusiastic about entering the mental health profession to have an impact on my community. Thank you Hostos for creating the pathway to my new career.” I AM HOSTOS.
