

A MESSAGE FROM THE OFFICE OF  
**THE PRESIDENT**

To: The College Community  
From: President David Gómez, Ed.D.  
Date: March 12, 2020  
Subject: Event Cancellations

As we continue to monitor the events of the COVID-19 crisis impacting our communities, and as part of the College's effort to help mitigate risks that might limit the spread of the coronavirus, Hostos has suspended external rental activities, College-wide events, and cultural programming at the Hostos Center for Arts & Culture for the time being.

However, please note, that Hostos will move forward and hold smaller internal activities and events. Please continue to check your emails and the College's [website](#) for further information and updates:

We regret the cancellations, and appreciate your understanding.

The safety of the Hostos community is our number-one priority.
