The ATI TEAS exam is required for admission into the Registered Nursing clinical program. Students who meet the G.P.A. requirement of a 3.0, while completing all the pre-requisite courses will be allowed to take the ATI TEAS Test for admission. These requirements include at least a B- in ENG 110, MATH 120, BIO 230, 240, 310 and CHE 105 with at least a C grade in any other pre-requisite course. If BIO 310 is taken in the first semester of the Clinical Nursing sequence, the minimum required grade of B remains unchanged. The student may register to take the ATI TEAS Test while they are enrolled in CHE 105 or BIO 310. Students who test in the fall are eligible to start the Evening RN Program in January. Students who test in the spring are eligible to start the Day RN Program in September.

GET AHEAD! TAKE CLASSES DURING THE SUMMER	SUB-TOTAL	17	

Admittance into the Registered Nursing clinical program is competitive and based on students' scores on the ATI exam. Each semester, the Nursing Faculty Committee convenes to review ATI results. Students who pass the ATI are ranked according to their scores and the committee selects the cohort for the upcoming semester's clinical program. The Evening RN Cohort starts in January and the Day RN Cohort starts in September.
