

America Needs You helps first-generation college students build the **skills, confidence,** and **networks** to thrive in their dream careers.

## Fellows Program

offers one-on-one mentorship, monthly in-person career development workshops, professional enrichment events, up to \$2,000 in grants, and internship and transfer support.

*"This opportunity has helped me **secure an internship during my sophomore year, it has taught me financial literacy and so many more lessons on how to develop myself and my personal brand in my career path.** In addition, it has resulted in friendships that will last past graduation."*

- Tyler, ANY Fellow
