

A MESSAGE FROM INTERIM PRESIDENT

Daisy Cocco De Filippis, Ph.D.

To the Hostos Family:

It is my pleasure to announce that Susan Pinamonti, Director of Foundation and Corporate Relations, was appointed Interim Dean of the Division of Institutional Advancement and Interim Executive Director of the Hostos Community College Foundation effective today, December 21.

She takes the place of Ana Martínez Orizondo who, for almost four years, served admirably in those capacities. Her leadership, creativity, and warmth will be greatly missed, but I know Ms. Pinamonti will bring her own unique vision and talents to her new roles.

Thank you, Ana...and congratulations, Susan. Your contributions are much appreciated!

Mil gracias y bendiciones,

Daisy Cocco De Filippis, Ph.D.
Interim President
