

**A MESSAGE FROM INTERIM PRESIDENT**

**Daisy Cocco De Filippis, Ph.D.**

## **IN MEMORY OF ISABEL LI**

It is with the heaviest of hearts that I share some very sad news: this past weekend Hostos lost a beloved member of the College family. Isabel Li, Director of the Hostos Academic Learning Center, has died.

Over the course of her years in academia, Isabel taught Spanish and Literature but found her true calling as an administrator whose focus was on tutoring. She began working at Hostos in 1983 and joyously provided help and assistance to several generations of students.

We extend our condolences to Isabel's family. We are richer for her time in our lives and all the poorer for her absence, and we will always cherish the memory of this vital woman who gave so much of herself to Hostos and all who worked, studied, and dreamed here.

In sorrow and remembrance,

Daisy Cocco De Filippis, Ph.D.  
Interim President
