Below, you will find responses to the open ended questions. Please note that only responses legible enough to read are included.

Q7 If you chose answer A to question 6, please specify what exactly you would like to learn about accreditation and strategic planning.

- 1 The future changes
- 2 I would like to know what topics are being reviewed for the SP
- 3 I am interested in the list of recommendations and how each is addressed
- 4 Love the Quiz
- 5 continue to learn about it & be part of implementation
- 6 How does Pres. Gomez define completion? 50% is rather ambitious.
- 7 How the changes from last time What would be needed this go around
- 8 How we decide what our story and focus for presentation in the 50p. Doc. Will be.
- 9 Please provide strategic plans/operational plans on the website and share outcomes from these plans
- 10 How the data is collected
- 11 Assessment
- 12 All the queries of previous visit of middle states are properly addressed
- 13 How budget allocations align with SP
- 14 Relationship between the 2, who can provide input & how
- 15 How the two are connected
- 16 Processing and standards
- 17 Time frame & correct process
- 18 Want to learn more about linkages between accreditation, strat. Planning, CUNY PMP
- 19 I am interested in attending the forum and reading our report
- 20 a timeline of the whole process
- 21 Time frame
- 22 Criteria for accreditation
- 23 We need more information connecting what we do on daily base with this external pressure
- 24 More about assesement

Q8 Please leave any additional comments you wish to share.

- 1 Bigger space for next meeting
- 2 I would like to learn the specific types of documents suggested to support points raised in process
- 3 Small goals and changes
- 4 Great job on update & process
- 5 the set-up of the event was awkward. Given the community's entered, I think that chairs instead of tables is more appropriate
- 6 the setting was oka today, completion agenda needs to be flusted out & further discussed with all staff so that all staff feel included
- 7 There's a sense from the HCC community that there isn't participation from the right people on the committee.
(con'd) May need to address how these members were selected and how you think they will be able to represent everyone
- 8 Redistribution of campus resources could help
- 9 Please adjust the microphone levels for some people who sound muffled
- 10 Thanks for information - Lots of opportunities to share and hear from others
- 11 I think this was excellent
- 12 Great job
- 13 Thank you!
